- Pairing mode: the earbuds will automatically enter pairing mode when turned on
- Pause/Play: click on either the left or right (L/R) earbud.
- Answer a call: click on either the L/R earbud.
- Hang up the phone: double-click on either the L/R earbud.
- Call rejection: long-press either the L/R earbud for 2 secs.
- Voice assistant: long-press either the L/R earbud for 2 secs.
- Previous song: click three times on the left earbud.
- Next song: click three times on the right earbud.
- Volume up: double-click on the right earbud.
- Volume down: double-click on the left earbud.
- Clear Pairing: ensure the earbuds are out of the case, then tap either the L/R earbud five times.
- Reset: place the earbuds back into the charging case and close the case.

SAFETY WARNINGS:

- Avoid using abrasive cleaners for cleaning both the case and earbuds.
- Keep the product away from heat sources, such as cooking stoves, to prevent damage.
- Refrain from exposing the product to prolonged direct sunlight.
- Never dispose of the product in a fire to prevent the risk of explosion.
- Under no circumstances should you attempt to disassemble the product or make any modifications, as it lacks maintenance components.
- Do not use the product in rainy conditions.
- If you won't be using the product for an extended period, store it in a dry environment. Remember to charge the headset at least once a month to prolong its lifespan and protect it from extreme temperatures and dust.

TECHNICAL SPECIFICATIONS:

- Bluetooth: 5.3
- Supported Bluetooth protocols: A2DP, AVRCP, HSP, HFP
- Bluetooth frequency: 2.402GHz - 2.480GHz
- Operating distance: 10m / 33ft
- Battery life:
 - Music: up to 6 hours at 50% volume
 - Calls: up to 6 hours at 50% volume
 - Standby: 50 hours
- Charge time: 2.5 hours
- Built-in battery: 3.7V Lithium battery
 - Case: 300mAh
 - Earbuds: 30mAh
- Charging voltage: DC 5V / 0.3A
- Durability: IPX4 water resistance
- Dimension: 22.5 x 55.1 x 44.3mm
- Material: PC + ABS
- Charging port: USB-C

HANDY FEATURES:

- True Wireless Stereo (TWS) enables a wireless connection for playing music and handling calls.
- Battery level prompts.

CHARGING INDICATORS:

- **Charging case cover opening/closing:** the white indicator remains on for 8 seconds.
- **Lid closing indicator:** when the earbuds are not in the case, the battery indicator turns on for 3 seconds then off. When there are earbuds are placed back into the case, the battery indicator flashes 6 times before turning off.
- **Earbud placement indicator:** when returning the earbuds to the case, the white indicator light flashes once, and the lid closing indicator light flashes five times.
- **Charging case charging indicator:** while the case is charging, the 4 charging indicator lights will illuminate one by one as the battery life increases. Once charging is complete, all four lights will remain on, indicating a full charge.
- **Charging box button:** press once to display the current remaining power of the charging box.

CONNECTING WIRELESSLY:

PAIRING NAME: TW2617BT

- To ensure optimal performance, maintain a distance of no more than 10m / 33 ft between the earbuds and your connected devices. Closer proximity is preferable.
- When you open the charging case lid, the earbuds will automatically power on and enter the pairing mode.
- Turn on Bluetooth on your connected wireless device to get started. Your device will then locate all nearby wireless devices. Click on "**TW2617BT**" to connect your device to the earbuds. Once successfully paired and connected, you can begin using the earbuds.
